

Villa Can Totxa Majorca

What we love...

We love the garden show-worthy grounds, where mature trees screen landscaped lawns, bougainvillea-draped terraces, a tennis court and a large private swimming pool.

This charming finca is a secluded retreat where you'll feel totally immersed in the Majorcan countryside and be exceptionally well looked after. Villa Can Totxa has a glorious setting in lush gardens surrounded by palms, oaks and olive trees, yet it's just a 10-minute drive from the island's buzzing markets and beautiful beaches.

Villa Can Totxa oozes traditional charm. Its farmhouse stone exterior, complete with wooden shutters, provides a real sense of place and the space has been designed for guests to spend as much time outdoors as possible. While away, enjoy the days sunning yourself by the swimming pool in total privacy; hit a few balls on the tennis court; sip your morning coffee or a pre-dinner glass of fizz on the bougainvillea-draped patio; or

take in the distant mountain views over the treetops from the master bedroom terrace.

Inside this luxury villa, rooms are stylishly fuss-free. The open-plan entertaining area leads out to the terrace for effortless indoor/outdoor living and the spacious, light and airy, bedrooms come with air-conditioning and their own bathroom. Wake up to be greeted with verdant views.

This is a luxury villa holiday where everything has been thought of; expect fresh flowers on the table, plush robes for when you climb out of your deep soaking tub and premium Champagne on tap. It's so tough to tear yourself away from this private hideaway that a private chef service is included.

Eating

A freshly prepared breakfast will ease you into the day, as you smell the scent of local bread and sweet pastries wafting through the villa. Tuck into these delicious local treats alongside fruit salads, cold meats and cheeses.

At the end of the day a selection of pre-dinner canapés will await you, before your fine-dining evening meal. Ahead of your stay, you'll have a menu consultation to ensure each meal meets your tastes.

The drinks package here is particularly generous, with unlimited premium Champagne, a hand-picked wine list, spirits, beers and soft drinks all included.

There are two catering options available. The 'flexible' option allows you to select one serviced meal provided by your private chef on 6 days out of 7, either brunch/lunch or dinner according to your preference each day. The villa also comes with a gas barbecue so you can rustle up your own al fresco meals.

Alternatively, for a more relaxed experience on your luxury summer holiday, you can select the 'full' service and let your private chef take care of lunch and dinner. This service is available at additional cost.

Kids

Villa Can Totxa has plenty to keep children entertained. The private swimming pool will provide hours of splash time and it's also large enough for younger ones to be able to practise their strokes as you watch on from the poolside terrace. Team up for family tennis matches down at the tennis court and play lengthy games of hide and seek in the mature gardens.

Indoors, kids will love the villa's TV and games room, which is well stocked with DVDs, games and toys.

When it comes to mealtimes, your chef will happily cater for early children's suppers to suit their tastes, allowing you to relax and enjoy grown-up dinners later in the evening. Childcare can also be arranged.
