

Apartment Fleur de Lin Verbier

What we love...

We love the sauna with its own shower room, where you can relax completely after a day out in the snow.

Right in the heart of Verbier, this modern and stylish luxury ski chalet is the perfect retreat for those wanting to get to know the area a little better. The property is only a five-minute walk from both the centre of Verbier and the Medran lift station, so you'll never waste a moment getting to your day's adventures.

The heart of the apartment is the contemporary and cosy open-plan living space. By day, floor-to-ceiling glass windows and sliding doors flood the apartment with light, and by night ambient lighting makes the whole apartment glow.

In the sitting area, an L-shaped sofa and armchair are gathered around a wood burning fireplace – the ideal spot for après-ski and pre-dinner drinks – and in one corner is a window seat where you can cosy up with a book in the afternoons. Aged wood beams and warm wood floors add a rustic feel to the contemporary scheme.

The adjacent dining room and kitchen, decorated in rich, dark shades, offer a welcoming and intimate place for you to enjoy a quiet evening meal of local treats, or a delicious breakfast washed down with lashings of coffee before you head out onto the slopes.

When you return from your skiing day, make the most of the private sauna and shower room to soothe your legs and restore body and mind. Or head out onto the covered balcony to relax on the outdoor sofa and enjoy the views of Mont Rognieux.

At the end of your day's adventures, retreat to the spacious and airy, neutrally decorated bedrooms. Fluffy towels, luxury bath products and fresh linens, make each bedroom a truly peaceful sanctuary where you can rest weary limbs and wake again each morning, ready for another day's exploring.
