

Chalet Julisam Leogang

What we love...

We love the indoor swimming pool area at Chalet Julisam, featuring a 14-meter swimming pool with a cascading waterfall, a six-seater whirlpool, a playful fountain equipped with warm water floor jets and an interactive virtual aquarium.

Perched high on the mountainside, Chalet Julisam boasts an Alpine marble exterior that sparkles in the sunlight, radiating a distinctive star-like charm.

Step inside to find an ambiance reminiscent of classic Hollywood glamour. A self-playing grand piano fills the air with music while you unwind on circular sofas situated on a rotating platform. Enjoy a glass of something delicious while soaking in the mesmerising view of the valley through the expansive windows that serve as ever-changing artworks.

Beyond its natural beauty and breathtaking setting, every detail has been carefully crafted to ensure unparalleled comfort and luxury. The private cinema, equipped with top-notch technology, promises a truly immersive movie experience. Leather recliners invite you to gaze at a virtual starry sky, complemented by top-of-the-line sound systems throughout the living spaces, ensuring your favourite tunes sound better than ever. Fitness enthusiasts will relish the state-of-the-art gym, indoor climbing wall, large indoor swimming pool, and sauna — a perfect blend of relaxation and fitness.

Outside, the spacious terrace with outdoor living and dining areas, providing a perfect spot to enjoy drinks or meals amidst the mountain air. An atrium with a fire pit sets the stage for late-night gatherings, surrounded by unique sculptures by artist David Harber, adding a touch of elegance to this outdoor space.

Should you manage to leave the comforts of Chalet Julisam, a plethora of activities awaits you, both on and off the slopes. Skiing in different areas each day, embarking on The Challenge (a seven-hour adventure without repeating lifts), snowboarding, sledding, and cross-country skiing provide endless entertainment. In the summer, biking, hiking, rock-climbing, and even golf await enthusiasts, making it an ideal year-round destination.

After a day of adventure, retreat to exquisitely relaxing, beautifully designed en-suite bedrooms. Some feature indulgent slipper baths, while others offer spacious walk-in shower rooms—all with generously sized, adjustable beds, Sonos sound systems, and retractable TVs that seamlessly disappear into the bed's frame as you doze off into a peaceful slumber. Get ready for sweet dreams in this luxurious haven.
