

Landmark Apartment 2 Lake Garda

What we love...

We love the spacious outdoor terrace, which has an inviting aquamarine swimming pool and plenty of room for lounging.

With views peeping through towering cypresses to the vivid blue waters of Lake Garda, a stylish and modern Italian interior, and a shiny private pool where aquamarine waters invite you to take a dip, Landmark Apartment 2 is the perfect relaxing retreat.

Set in the lush green landscape of Gardone Riviera, the property has been designed to reflect the tone of its surroundings – tranquil, elegant and soothing. Life here centres on the outdoors and the spacious pool terrace is a stand-out feature, where days can be spent lounging and dining al fresco.

Step inside and you'll find a neutral palette, bespoke lighting and clean lines that give off a light and airy feel. The open-plan entertaining area is a sociable space, with a kitchen that comes with all the mod cons you could need if you like

to cook for the family. Whichever of the two bright and spacious bedrooms you choose, you'll be able to step straight out onto the terrace to enjoy a leisurely morning coffee by the pool.

This sophisticated apartment gives you the best of both worlds, as its setting within the sprawling grounds of the exclusive Eden Reserve means you have extra shared facilities on your doorstep. During your stay, you can dine at the hotel's excellent restaurant, La Celeste, use the gym and spa facilities (including an indoor/outdoor pool, sauna, steam room and treatment rooms) and get around on e-bikes.

If you're holidaying with another family group, Landmark Apartment 2 can be booked together with next-door Landmark Apartment 1 which has two additional bedrooms.
