

Villa Fito Provence

What we love...

We love the lush gardens – five acres of the estate are fenced off just for you, with a gorgeous swimming pool, petanque field and garden lounge.

A stay at this luxury Provence villa is the stuff dreams are made of. Villa Fito is a special place, where you'll wake to birdsong, relax under the shade of olive trees, play petanque in the field and enjoy a peaceful escape in a remarkable five-acre private setting.

Villa Fito sits in the sprawling grounds of the five-star Chateau de Berne hotel, Provence's picture-perfect country estate and a real wining-and-dining hot spot. You can enjoy Cinq Mondes spa treatments, go wine tasting and dine at a farm-to-fork Michelin-starred restaurant, play a match of tennis or two on the two tennis courts, maintain your fitness levels in the gym area or enjoy a yoga class, all without leaving the hotel grounds.

The villa itself is a gorgeous mix of modern features and authentic charm. The spacious and light double living area has exposed beams and an entire library,

while the cinema room with its large screen and sink-into sofas is the perfect place for movie nights. In the six en-suite double/twin bedrooms, the soft décor of pastel hues and wooden accents is guaranteed to encourage restful nights.

The beautiful outdoor private swimming pool is a sure hit. There's even an enchanting stone pool house where you can gather guests for barbecue feasts or pizzas fresh from the pizza oven. Roam around the lawns and take refreshing dips, then relax on a rattan lounge under the shade of a parasol and challenge yourself not to nod off in paradise.

Kids

It doesn't get better than a five-acre private natural playground where kids can play in a safe and secure environment. Challenge the children to games of petanque and give them plenty of splash time in the outdoor swimming pool.

You also have free access to the hotel's two tennis courts and miles of hiking and biking trails on your doorstep – little ones will be exhausted at the end of fun days out in the fresh air.
