

Villa Malko St Tropez

What we love...

We love the tropical feel of the swimming pool area, surrounded by greenery and wooden sun loungers, and with a pool house nearby for relaxing in the shade.

Sunshine-drenched, surrounded by greenery and with every luxury you could wish for, Villa Malko offers a stunning holiday stay in St Tropez that ticks all the boxes.

Located up on the southern hill of the exclusive private domain of Parcs de Saint Tropez, this beautiful villa is both peaceful and secure, but also within easy reach of all the delights of the Cote d'Azur.

Hidden away amongst gently swaying umbrella pines, within landscaped Mediterranean gardens that are a joy to wander in, is a spectacular building, which has been designed to make the most of its wonderful location. There are two outdoor lounge areas, a covered al fresco dining space and plenty more covered terraces and porticoes besides, so there is always a spot to relax with a book and a cool drink.

The focal point of Villa Malko's gardens is the wonderful private swimming pool (heated Jun-Aug), surrounded by loungers and parasols, and with its own well-equipped pool house, so another drink or a bit of shade is never

far away, and you can shower off at the end of your swim and then dry in the sunshine, relaxing in a deckchair.

Indoors, a neutral palette and natural materials, including rustic woods, brushed marble and slubby linens, brings a cool, laid-back feel. Two lounge areas, incorporating both large sofas and intimate armchairs, allows room for everyone to relax indoors in the shade or to cosy up on slightly chillier evenings. Next to the professional kitchen is a 12-seater dining room where you and your friends or family can gather for gastronomic feasts in the evenings, and enjoy views of the lush gardens as the sun sets. The villa is equipped with Sonos sound throughout, so you can enjoy your favourite music wherever you are. There's also an office and a small gym, as well as a two-bedroom staff apartment should you need it.

The six individually designed bedrooms offer everyone a cool, calming space to escape to at the end of each day. Each bedroom has a smart TV and is air-conditioned for a comfortable night's sleep.
