

Chalet Ganga Tignes

What we love...

We love the entertainment and bar area for fun poker nights, darts matches and movie screenings.

What better feeling is there than skiing straight to your door after an awesome day on the slopes, kicking off your boots and heading straight to the sauna or sinking into the Jacuzzi? That's exactly what you can look forward to at Chalet Ganga, a luxury eight-bedroom chalet with direct access to the slopes and just a five-minute walk from the centre of Tignes le Lac.

Newly renovated for the 23/24 winter season, Chalet Ganga is an ideal option for a larger group of family and friends looking for an elegant space to enjoy together. As well as the atmospheric wellness zone, there's also a small entertainment area where you can spend your evenings playing poker, billiards or darts, or simply chilling with a movie in the TV snug and a few drinks from the bar.

Up on the top floor, the open-plan living/dining area is a sociable space with plump sofas set around a large TV and feature fireplace and a 16-seater dining table that comes with views over Tignes to the mountains beyond. When it comes to laying your head at night, each of the eight owner-designed bedrooms has its own en-suite bathroom and access to the balcony.

The relaxed vibe is enhanced further by the fact that the chalet is fully catered, so nobody needs to lift a finger. Hearty breakfasts, a welcome afternoon tea, pre-dinner drinks around the fire and stand-out chef-prepared dinners play a big part in the luxury experience.

Eating

Chalet staff service and a chef will keep you well fed and watered throughout your stay at this catered ski chalet in Tignes.

Each day, you'll be offered a hearty breakfast – featuring the likes of eggs, breads and coffee – before you head out on the slopes. When you return, a sweet and savoury afternoon tea awaits.

Dinner is prepared by a professional chef six nights per week, so you're free to relax with a few drinks around the fire or out on the balcony while your meal is freshly cooked.

An open bar offers spirits and soft drinks, and the chalet team have hand-selected a selection of house wines for you. Additional wines and Champagne from the wine cave can be arranged at an additional cost.

On the chef's night off, take the chance to dine out at one of the eateries in Tignes le Lac, just a five-minute walk away.

Chalet Ganga

Kids

The welcoming atmosphere at Chalet Ganga is very much extended to families with children.

When they're not on the slopes, they can keep themselves entertained in the games room or simply relax in the cosy TV snug in front of their favourite movie.

Your chef can cook a kids' tea earlier in the evening so that everyone can enjoy a relaxed meal at their own pace. In-chalet childcare can be arranged on request.

The chalet's location, close to the slopes and the town, plus the in-resort driver service, make things easy when it comes to getting around with little ones in tow.

Location

Chalet Ganga has a ski-in/ski-out location alongside the Almes piste. It's just a five-minute walk into the centre of Tignes Le Lac, where you'll find restaurants, bars and shops.

Transfers from Chambéry airport take approximately one hour 30 minutes, while the drive from Geneva airport is around three hours.
