

Villa Mila Brac

What we love...

We love the location of this beautiful villa, which sits sheltered in a little bay and just steps from the sea.

Contemporary, stylish and with lots of little luxuries thrown in, Villa Mila is real find. Set on the island of Brac, looking out over the sparkling sea and over to the mainland and mountains beyond, you won't find many better views in the whole of Croatia. The Villa has direct access to the sea and its own jetty and moorings where you can set off on adventures discovering the coast from kayaks. There are also complimentary bikes, so you can go exploring the island by road, too.

Every room inside makes the most of those wonderful views. Several of the bedrooms look straight out to sea and have terraces so you can go out and enjoy the sound of the waves as soon as you wake, and the turquoise water is visible from all the main living spaces.

The living room has modern, L-shaped sofas and large footstools; it's the perfect place to relax and watch a film on the huge smart TV, or to sit in front of a fire roaring in the stone fireplace and watch the waves should a storm roll in. There's a stylish dining room, looking out over the swimming pool, with a long dining table beneath a Rococo-style chandelier, where you can gather for meals indoors. Nearby is an uber-

modern Miele kitchen, kitted out with everything you could need, and with a bar for sociable chatting while you cook.

While there's lots to explore on the island, you could easily spend your days happily entertained at Villa Mila. There's a relaxing spa area with a sauna and space to enjoy beauty treatments, as well as a fitness room, and even a games room for billiards and table tennis championships.

However, this is also a property where you'll spend more time outdoors than in. The summer kitchen, with barbecue, provides a great set up for long, leisurely dinners at the edge of the sea. Nearby is the outdoor dining and living areas, where you can relax under the shade of a huge palm tree and enjoy food al fresco or lounge in the sun on the comfy sofas.

On hot days, head straight for the stunning swimming pool, with outdoor shower and plenty of sunbathing areas. We recommend popping back at night when the whole swimming pool area is beautifully lit, and enjoying a dip under the stars.
