

## Apartment Artois Les Gets

### What we love...

We love this cosy apartment's central location – you can step straight out of the building onto Les Gets' main street among restaurants and shops.

Welcoming and stylish, with a superb setting to boot, this luxury ski apartment is a brilliant base from which to enjoy everything that popular Les Gets has to offer. Apartment Artois' location couldn't get much more central – it's right in the heart of the resort, less than a two-minute walk to Chavannes ski lift, seconds from restaurants, bars and shops, so there's lots to keep you entertained whether you want a morning browse, a fancy dinner or some family-friendly après fun.

After kicking off your boots and popping them in the heated ski locker, grab yourself a refreshing drink and head to the balcony, which overlooks a pretty courtyard-style garden. Inside this modern first-floor apartment, the open-plan kitchen, living and dining area makes it easy for your party to

spend quality time together. Sink into the L-shaped sofa during the day and glimpse the snow-capped mountains peeping above the rooftops. Then, after a meal out or a delicious home-cooked dinner, snuggle up for movie nights.

Three charming double bedrooms (two of which can be made up as twins) offer a plush place to rest your head until the morning call of the mountains. A further bunk room is ideal for two children. Bathrooms come with the fluffy towels, premium toiletries and professional hairdryers you'd expect on a luxury ski holiday.

A real perk of staying at Apartment Artois is the shared access to a small gym, Hammam and sauna where you can ease weary muscles after a day on the slopes.

### Kids

With its nursery slopes, easy accessibility and plenty of non-ski activities, Les Gets is an incredibly family-friendly resort. Apartment Artois puts you at the heart of it all and is a welcoming home-from-home for children.
