

Vail Lodge 4 Bedroom Apts. Val d'Isère

What we love...

We love the wonderful location of these apartments, just a 10-minute walk to the centre of Val d'Isere, and with a ski-in/ski-out location that makes getting on and off the snow as stress-free as possible.

Luxury ski chalets in Val d'Isere don't come much more flexible and easygoing than those at the delightful Vail Lodge.

The impressive building houses several exquisite apartments, including five, four-bedroom apartments, two of which are penthouse. Each of the apartments has been thoughtfully decorated in traditional style, but decked out with all the mod cons you could hope for and a massive dollop of style. Rich woods and rough-hewn stone bring a bit of the outdoors inside, while roaring fires, squashy sofas and plush soft furnishings bring all the comfort you could need.

The apartments are all designed with a spacious, open-plan living space at their hearts, giving everyone in your party a place to gather together for celebrations or quiet get-togethers with loved ones. And there are lots of spots to curl up on your own with a book and a glass of wine, too.

A modern but intimate dining area in each apartment provides the backdrop for relaxed meals,

enjoyed with friends, and the kitchens are beautifully equipped with dishwashers, Nespresso coffee machines and much more. You can order meals to your door to suit you and your party or put on your glad rags and get out into Val d'Isere to enjoy all its food scene has to offer.

Comfy and cosy bedrooms provide much more than 'just' somewhere to rest your heads of an evening and you should rise each morning well rested and raring to enjoy another action-packed day.

Spectacularly located, these luxury ski apartments offer ski-in/ski-out convenience and proximity to the town centre as well as easy access to the ski lifts. Make sure you take the chance each day to get out onto your furnished balcony and enjoy the mountain air and the views that each spectacular apartment at Vail Lodge offers.

Each apartment's layout and facilities will differ and images shown are as a guide to reflect the style and decor. Please note, only Apartment A32 has an outdoor hot tub and sauna.

Kids

Vail Lodge's family friendly ski apartments are ideal for those travelling with kids and you'll have a concierge service on hand to make sure everything is stress free.

The apartments are ski-in/ski-out, which makes getting out on the snow much easier with kids in tow. Additionally, the apartments' open-plan design offers plenty of room for children to play. Each of the apartments has its own bunk room, which children can make their own to hide out in away from the grown-ups. There are also TVs in each of the apartments to keep kids entertained on snowy afternoons. In fact, three of the five apartments have a dedicated TV area where they can chill out in front of a movie.
