

Apartment Basalte 103 Verbier

What we love...

We love the amazing location of this luxury apartment in Verbier, right on top of both the lifts and the centre of town.

A comfy and cosy bolthole right in the heart of Verbier, Apartment Basalte 103 is a luxury self-catered ski chalet that's ideal for a group of friends or family to share.

The apartment's central location means you're in the heart of all the action and can be the first to make tracks on the mountains in the mornings. But when you close the door at night, you feel like you could be in the middle of nowhere.

The main living spaces are all open plan, allowing everyone to be really sociable. The sumptuous and capacious sofas gathered around a roaring fire are just the spot to gather and lounge with a drink or two when you return from the slopes. The kitchen, living and dining areas are all light and bright and make a great entertaining space.

The dining area seats 6 so there's plenty of room for you all to sit around and enjoy a leisurely meal.

Why not step out onto the large sun terrace and take in the fresh mountain air. Whether you're sipping your morning coffee or enjoying a bottle of bubbly in the outdoor hot tub, the view from the terrace will transform any everyday moment into something special.

Each of the three luxe bedrooms is designed with your ultimate comfort and cosiness in mind. Super comfy beds and pillows that just beckon sleep make each room a relaxing retreat. When you wake in the morning, feeling completely refreshed, grab your gowns and slippers and head out for coffee on the terrace. There's no better way to start the day.
