

## Apartment Chevril Val d'Isere

### What we love...

We love the central location, with mountain views but only steps to the slopes and the centre of town.

Apartment Chevril is a luxury ski apartment in Val d'Isère, where you can enjoy all the privacy of a private chalet as well as the ease of a hotel stay.

Apartment Chevril, Val d'Isère, is one of four private apartments within the exclusive Hotel Val d'Isère. As guests of the hotel you'll have access to the spa, which includes a stunning swimming pool, sauna, Hammam, treatment rooms and a gym, where you can relax and restore body and soul after an energetic morning on the slopes. And you'll also be welcome at the cheery and pretty Cafe Val d'Isère, which is open all day for your included breakfast as well as other meals, snacks and après ski.

The location is second to none, too, with all the town's boutique shops, bars and eateries just moments away, and the snow just minutes from your door.

But when you need to escape from the party, your apartment is a little oasis, where you'll feel right at home. Decorated in a relaxing natural style with a traditional Alpine twist, with rustic woods and a neutral palette, the property offers a warm welcome. The cosy living room has a corner sofa and comfy armchair to lounge in for watching television or curling up with a book while the snow falls onto the mountain outside.

Adjacent is the intimate, wood-clad dining room, seating six around the table beneath a contemporary, statement chandelier. A small but well-designed kitchen with sociable bar area is next to that.

At the end of each fun-packed day, the four of you can head to the luxe bedrooms to soak in the bathtub or just snuggle down under thick duvets, ready for another day of adventures in Val d'Isère.

## Eating

As part of the Val d'Isère Hotel, guests at Apartment Chevril will enjoy breakfast in the cheerful and ever-so-slightly kitsch Val d'Isère Café each morning, included with their booking. Enjoy the hot and cold buffets which will set you up nicely for a morning on the snow.

The café is open all day so you can drop in for a latté and hot chocolates to warm you through when you get back from skiing, book in for a lunch of charcuterie and cheese boards or head there for dinner and tuck into burgers, salads, sharing plates and comfort food.

Val d'Isère itself has a fabulous food scene and with the centre of town just moments away from your apartment, you're well placed to make the most of it. If you prefer to just stay in your cosy chalet-apartment, you can use the small but brilliantly equipped kitchen and inviting dining room.
