

Chalet Antara Grindelwald

What we love...

We love the picturesque mountain views from Chalet Antara's huge windows.

Thoroughly modern and equipped with every comfort you could need, Chalet Antara is a luxury duplex apartment in Grindelwald that makes a great self-catering base for exploring a beautiful ski area.

The building is traditional in style but brand new and inside it has a clean, contemporary feel and a monochrome palette.

The main living space includes a spacious lounge with a stylish wood-burning fireplace surrounded by sofas and leather armchairs, and a flatscreen TV, making it a cosy spot to lounge in the afternoons when you've returned from the slopes.

Adjacent is a kitchen diner with sleek, chic cabinetry and top-of-the-range appliances, as well as a refectory-style dining table for long, leisurely meals with your party. The

open-plan design makes the whole area a very sociable space. A second TV lounge on the upper floor offers a quiet space for anyone who wants a little me time to hide away for a while.

Unlike many luxury ski chalets, Chalet Antara also has a spacious private garden, complete with sun loungers for warmer days and an al fresco dining area, where you can enjoy the mountain air and the amazing views that surround the chalet.

After a tiring day on the mountain, you'll be glad that Chalet Antara is just a 250 meter walk back from the lifts. And after a cosy evening in your chalet, you'll be ready to fall into comfy cotton sheets in your cosy bedrooms and recharge, ready to do it all again in the morning.
