

## Chalet Galena Verbier

### What we love...

We love the beautiful terraces with their outstanding mountain views.

Ultra-modern and super-cosy, Chalet Galena is a newly renovated luxury ski chalet in Verbier, which is perfect for a small group of friends or a family of five.

Perched high above Verbier, the property is in a very private location, hidden between pine trees behind a pretty garden gate with a semi-covered terrace with outdoor dining and barbecue areas. A practical boot room off the entrance hall means you can all get as wet and muddy as you like before just kicking off your snow gear as you come in.

The heart of this property is the main living space, with its capacious sofas, vaulted ceilings, study area, warm rug underfoot and a wood burning fireplace with double face, allowing it to warm both living and dining room simultaneously. A small flight of stairs takes you down to the sociable kitchen-diner with a round table seating five and a handsome

and well-equipped kitchen, including pantry and laundry areas. Behind the French doors is a little balcony with seating for two to enjoy a glass of wine looking out at the mountain views.

The bedrooms are beautifully designed to offer total comfort and lots of character. The master bedroom is on the top floor, with French doors leading to a private balcony and a large en-suite bathroom. A small bedroom opposite is ideal for a child making the top floor a lovely family sleeping area. The bottom floor accommodates a second double bedroom.

With flatscreen TV, Wifi and Sonos sound throughout, everything has been thought of at Chalet Galena to make your stay as easy as possible. All you need do is turn up, kick off your boots, put your feet up in front of the fire and relax.
