What we love...

We love the warmth and character of the open-plan living area – this delightful apartment oozes authentic alpine charm.

This wintry self-catered retreat brims with warmth and alpine charm. Apartment La Dranse 111 sits in a peaceful position in the centre of Verbier, just a five-minute walk from top restaurants, buzzing bars and the nearest piste. It's the ideal choice for a group or family of up to 12 seeking a well-located and spacious home-from-home for a luxury ski holiday in Verbier.

Step inside and you'll instantly feel those cosy winter vibes that are an essential part of your ski holiday. A roaring wood-burning fire flickers at the heart of the open-plan living area, where sink-into sofas invite you to share a bottle of wine and good conversation after adventures out on the mountain. Well-

considered lighting, hand-crafted wooden stools and chunky throws all add to the authentic alpine atmosphere.

Outside, soak up the sun from the south-facing balcony, which offers a picturesque mountain backdrop for your morning coffee or pre-dinner drinks. There's also a roomy terrace where kids can play outdoors. If you need to ease weary muscles, simply head down to the apartment's private Hammam.

When it's time to call it a day, each bright and airy bedroom has its own contemporary en-suite bathroom. Bag the master bedroom for extra space and access to the mountain-view balcony.
