### What we love...

We love the amazing view of the Alps from Apartment Nettuno's balcony.

Apartment Nettuno offers the perfect combination of private chalet and apartment accommodation with spa facilities. Cocoon yourselves in your own private, self-catered apartment and enjoy total privacy.

This luxury ski apartment in Courchevel 1850 enjoys an unbeatable location, just moments from the lifts and, from there, the entire Three Valleys ski area is at your disposal. It also has a ski-in/ski-out location and is just 100 metres from the heart of Courchevel itself.

Inside, a warm and cosy atmosphere pervades, with a spacious and open-plan living and dining area. A corner fireplace and flatscreen TV marks the focal point of the living area, with huge-L-shaped sofas just made for sprawling on, and plenty of side tables on which to pop your drink and your book or get stuck into a board game. Nearby, the stylish and contemporary kitchen-diner with its

large island area is a wonderful spot in which to catch up with friends or family over a glass of wine in the evenings. The whole space is designed in a neutral colour palette using natural materials such as wood and stone for a relaxed feel.

The two double bedrooms and mountain cabin have a laid-back, cosy atmosphere that's conducive to sleep and they provide a small bolthole for anyone who needs a quiet hour alone. Alternatively, take yourself out onto the balcony where you can take in the amazing Alps view – there's nothing like it to make your worries seem totally insignificant.

On snowy afternoons, when you've returned from the slopes and kicked off your ski gear, head down to the building's beautiful spa area. With swimming pool, massage rooms, gym and relaxation area, as well as an outdoor hot tub and sauna, you'll have restored both body and soul in no time.
