

## Villa Aiano Capri

### What we love...

We love the elegant swimming pool terrace, which seems to float above the shimmering sea and has uninterrupted views of the beautiful zigzagging coastline.

Perched on a verdant hillside rising out of the Tyrrhenian Sea, this luxury villa in Capri captures all the magic of a charming and sophisticated Italian holiday by the sea. Step into the enchanting bougainvillea-shrouded gardens and drink in the heady scent of rose and jasmine, while catching your breath at the first glimpse of Villa Aiano's sleek white limestone exterior. Mature trees give that feeling of being tucked away in a private haven – one that comes with a magical panoramic view of the Bay of Naples and the Amalfi Coast.

This luxury villa with a sea view has been designed for effortless indoor/outdoor living. Rustle up your own pizzas in the pizza oven (you have your pick of the very best local ingredients for pizza making here, after all), gather around the outdoor dining table for sizzling barbecue

lunches in the sun, and while away afternoons hopping between your daybed and the inviting waters of the swimming pool which seems to float above the shimmering sea.

Inside Villa Aiano, you'll find all the character and elegance you could wish for on a luxury holiday in Capri. There's a homely feel, with charming arched doorways and rooms bathed in sunlight. You're never far from that incredible sea view – perch on a window seat and it's as though you've stepped into a painting. Each of the bedrooms is a peaceful cocoon where a restful night's sleep awaits ahead of another day in this island paradise.

Villa Aiano can be rented with its sister villa, Villa Aiano B, which is located directly in front, for groups of up to 24 guests.
