

Fleur de Lin 204 Verbier

What we love...

We love the wraparound balcony with outdoor living and dining areas that allow you to really make the most of the fresh air and mountain views.

Cosy and quiet, yet right in the middle of the action, Fleur de Lin 204 provides everything you could need in one of Verbier's best locations, only moments from the main lifts as well as the centre of town.

Step inside your apartment, on the second floor of this traditional building, and you'll feel instantly rested and relaxed. The main living spaces are designed in a palette of neutrals with deep, dark blues bringing a sophisticated feel and subtle Alpine touches here and there as a nod to this luxury ski apartment's location.

In the living area, two sumptuous velvet sofas and an array of cosy armchairs surround the roaring wood-burning fire. It's a wonderful place to gather with friends over drinks in the evenings and catch up on everyone's adventures, or to

simply curl up with a book or watch a film on the flatscreen TV. In the daytime, the room is flooded with sunshine from the huge windows.

The apartment has two dining areas; one inside and one outside, as well as a bar area in the kitchen where you might like to perch with a glass of wine in the evenings. The outdoor wrap-around balcony is a highlight of any stay at Fleur de Lin. Take your coffee out to gaze at the mountain at breakfast time, and in the evenings lounge in comfy chairs with plenty of throws and blankets to keep you warm while you stare at the stars.

Each night, you'll retreat to your own luxury bedrooms. Carefully plumped pillows and faux fur throws and cushions bring texture and a feeling of cosiness to the contemporary bedrooms. Sweet dreams are guaranteed.
