

## Chalet Filip

Santa Christina Val Gardena

### What we love...

We love the private spa, incorporating a swimming pool, whirlpool, sauna, relaxation room, and stacks of fluffy towels and robes to help you enjoy your stay.

Retreat to your own bolthole in the snow, with the mountains on your doorstep and everything you could need for a relaxing week with family and friends in one of the world's best ski areas.

Chalet Filip is one of a pair of luxury ski chalets in the Dolomites, which have been designed with your total relaxation and independence in mind. Just moments from all the action, the chalet has wonderful mountain views from the floor-to-ceiling windows; the perfect place from which to watch the snow fall.

The main living area, with its rich wood walls and floors, and a stylish palette of greys and neutrals, is a wonderful space in which to relax together. There's a cosy seating area in one corner with TV and comfy sofas and armchairs, and

a contemporary fireplace that warms the whole space beautifully. From the modern dining table, set beneath pendant lighting, you can gaze out at the mountain nearby while you tuck into good food and fine wine together.

After an adventure-packed day on the slopes, Chalet Filip's private spa is just the spot to unwind with a massage or simply a swim in the swimming pool and a sauna. Then last thing at night, wrap up warm and head out to the balcony's outdoor living area with a glass of bubbly or a hot toddy to watch the stars twinkle on over the Dolomites, before tucking yourself into comfy beds in cosy en-suite bedrooms.

For larger groups, Chalet Filip can be rented with Chalet Robin accommodating up to 16 guests.
