### Val d'Isère

### What we love...

We love the cosy yet spacious open plan living space, with its balcony and lovely views of the slopes.

Occupying a central position in Val d'Isère, this luxury ski apartment was fully renovated to the highest standard in 2024, and it's clear that no expense has been spared to make its guests feel instantly at home. Wood-panelled walls and classic tiled floors lend Penthouse Les Anémones an old-world charm, while sumptuous soft furnishings and homely touches offer the ultimate in post-ski comfort.

The apartment accommodates six guests in three generous double bedrooms, each blessed with a private bathroom and decorated in a warm, cosy style, making them the perfect place to retreat after a day in the snow. There's also a further bunk room ideal for younger guests.

It's Penthouse Les Anémones' open plan living space that forms the backdrop to memorable meals, evening apéritifs, and movie nights with family and friends. The spacious kitchen features elegant bar seating where loved ones can tuck into nibbles and drinks while you cook. Nearby, the dining area enjoys wonderful views of the peaks, while the deep, comfortable sofa begs for you to curl up with a book or mulled wine. French doors lead out onto the balcony, where you can soak up the afternoon sun.

Equipped with a ski locker for your convenience, Penthouse Les Anémones has everything you need for a memorable luxury ski holiday in Val d'Isère.
