What we love...

We love the hotel spa with its stunning 15-metre pool, steam room, sauna, treatment and beauty rooms, nail bar and even a juice bar. Much more than simply a place to relax after skiing, the spa is a destination all of its own.

Who said you can't have it all? These luxury ski apartments in Gstaad are part of the boutique 5* Ultima hotel, giving you all the privacy you need as well as all the pampering, and that element of luxury.

Ultima Gstaad comprises a fabulous hotel with a selection of residences and suites and these two-bed luxury apartment makes the most of all that is on offer. It's easy to spend an entire day making the most of the facilities on offer here, but the chalet also enjoys a fabulous skiing location that you will want to cash in on, too. It's metres away from the nearest ski lift and close to several others, so that despite its quiet location, you're only ever moments away from the snow.

And if it's peace and quiet you're after you can get it in spades here, too. The dedicated and experienced staff are both discreet and practically invisible when required, and there's plenty of room in these modern-rustic properties for a party of four to find a bit of space to themselves as well as communal areas to gather in together.
