

Ultima Estate Crans Montana

What we love...

We love the entertainment spaces, both the private library and cigar lounge in the chalet and the exclusive spa, fitness and cinema rooms.

An exclusive location demands a property that's something a little special, and Ultima Estate is a luxury ski chalet that offers plenty of both. Featuring 16 bedrooms across two interconnecting chalets offering the perfect retreat for large groups.

Perched up on the Plateau de Plan-Mayens, this luxury ski chalet has a secluded feel, an intimate atmosphere and design features to die for, as well as being close to some of the best skiing in Europe.

There's plenty of room here to entertain and to find your own space to relax quietly, with a cosy living spaces decorated in traditional Alpine style with a modern twist, a cigar lounge to retire to after dinner and a library and office space, too. Whether you're gathering around the fire with your party in the evenings or cosying up with a book in a quiet corner, everyone will find space for themselves, however they prefer to relax.

Guests can make the most of the facilities, from the spa where you can indulge in a range of pampering wellbeing treatments, to the beautiful outdoor swimming pool and fitness room. There's even a cinema room – an ideal place to while away an afternoon with a movie and popcorn.

Kids

Children are most welcome in this luxury estate in Crans Montana, and there's plenty of space to play in this property. When they get home from ski school, kids might enjoy chilling out in the cinema room or splashing in the swimming pool.

Two children's sleepover rooms accommodate 5 children in each room and they'll love the magical dormitory style dens complete with faux fur bean bags and stacks of cuddly toys.

Nannies and babysitters can be arranged and, if you need any help with booking ski school or other outdoor activities, just ask.

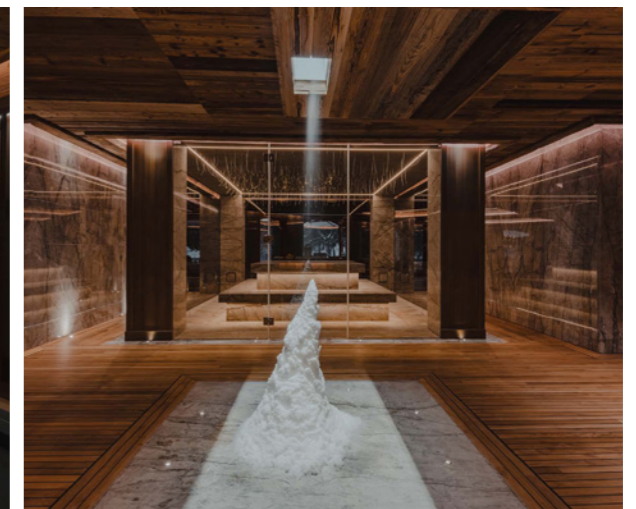

Dining

Fine wines and excellent food are two of the cornerstones of a stay at Ultima Estate. For the duration of your visit, you'll be in the safe hands of one of the best private chefs in the world, who will cater for all your needs.

Breakfast is served each morning as you wake, so that you can be first onto the snow if you want to. Or if you prefer a more leisurely breakfast over several coffees, that's also to be encouraged. When you return from the slopes, an afternoon tea will always be ready and waiting for you to warm you through.

Your private chef will conjure up tantalising 3-course lunch and dinner services during your stay. Any dietary requirements, whims and wishes can all be taken into account when menus are being designed, to ensure every meal is one to remember for all the best reasons.

Whilst meals are included in the chalet price, any premium or specialty food items, additional courses and alcoholic drinks will be charged for separately.
