Méribel

What we love...

We love the spacious open plan living space, with its inviting sitting and dining areas, billiards table, bar, and central fireplace.

Part of the new Falcon Residence and benefiting from access to its facilities, Falcon Lodge Penthouse H21 is a luxury ski apartment of chalet proportions. Sleeping up to 13 guests in 5 beautifully decorated bedrooms and equipped with its own private spa facilities, it's certainly not short on space. Perched on the mountainside just above central Méribel in the charming hamlet of Morel, it boasts quick access to the Morel chairlift and lovely views across the valley.

Falcon Lodge Penthouse H21's open plan living space is bound to impress any guest, with double-height ceilings and French doors leading out onto a balcony, the perfect place to sit with a hot drink after a day on the slopes. There's a sitting area with sumptuous sofas inviting you to sink into them and

watch a film. Nearby, a fire crackles in the central fireplace, and the bar and billiards table await for a little après-ski.

Falcon Lodge Penthouse H21 also features a private sauna and an outdoor hot tub where you can soothe tired legs. For even further relaxation, head to the shared spa, with its idyllic indoor swimming pool and a choice of treatments and massages.

Every detail at the Falcon Residence has been designed to make your luxury ski holiday hassle-free, from the private laundry room in the apartment, to the shared boot room and on-site ski shop.
