### Méribel

### What we love...

We love the stunning master bedroom, with its double-height windows, TV corner, dressing area and private balcony.

Blending the facilities of a hotel with the freedom of your own space, Falcon Lodge Penthouse G22 is a bright, sprawling apartment with all the luxuries of a chalet. Nestled at the heart of the Falcon Residence in central Méribel, it's conveniently positioned for accessing the pistes and boasts awe-inspiring views across the valley.

Every detail of Falcon Lodge Penthouse G22 has been designed with care, from the solid wooden beams to light fittings fashioned from antlers. It harbours six delightful bedrooms sleeping up to 12 guests, including a children's bunk room and a stunning master bedroom with its own TV corner and private balcony. The apartment's extensive facilities include an office space, laundry room, sauna where you can rejuvenate sore limbs, and cosy home cinema room for post-ski movie nights.

Yet it's the open plan living space that is the jewel in Falcon Lodge Penthouse G22's crown. Flooded with light from skylights and floor-to-ceiling windows, it comprises a fully equipped kitchen, dining area, and sitting area with a large, comfortable L-shaped sofa. During the day, step out onto the balcony to enjoy the fresh mountain air; come night-time, the space is bathed in the glow of the central fireplace.

Elsewhere in the Falcon Residence, the sapphire-blue, shared indoor swimming pool beckons for you to squeeze in some lengths before dinner. A choice of treatments is also available if you'd like some pampering. Complete with a shared ski room, concierge service, and on-site ski shop, the residence has all the ingredients of a seamless luxury ski holiday.
