Méribel

What we love...

We love the bright, homely living space, with its crackling fire, stylish bar area, and fabulous views.

Tucked away in the newly built Falcon Residence, Falcon Lodge Penthouse E31 offers the best of both a self-catered apartment and a luxury hotel. It enjoys access to the residence's wellness facilities and concierge service, while providing a haven of privacy that's perfect for those who like their independence. Perched above central Méribel in the charming Morel area, it's a short distance from the nearest piste, as well as an array of bars, shops, and restaurants.

The heart of Falcon Lodge Penthouse E31 is its bright open plan living space, which effortlessly blends modern design with warm green hues and soft furnishings, giving it the air of an enchanting country home. This inviting space comprises a kitchen, stylish bar, dining area, TV, and a sofa you could curl up on

forever. At the centre of it all is the fireplace, providing homely warmth as snowflakes fall outside. Full-height windows display mountain vistas, and when the sun shines the balcony is a wonderful place to admire the views.

Spread across Falcon Lodge Penthouse E31's two floors, the four bedrooms offer a cosy sanctuary from the snow. Each one features a comfortable double bed, plus two have balcony access.

Step outside the apartment itself, and the Falcon Residence offers a wealth of shared facilities. From the on-site ski shop and handy boot room to the blissful spa with its indoor swimming pool and relaxation area, it has everything you need to ensure a memorable luxury ski holiday.
