### Méribel

### What we love...

We love the extensive private wellness facilities, such as the indoor sauna, fitness room, and the irresistible outdoor hot tub.

Homely Falcon Lodge Penthouse F21 has a timeless elegance that will charm any visitor. Clad with beautiful wood and dotted with alpine touches such as sheepskin rugs, it feels completely in harmony with its surroundings. Part of the Falcon Residence in the Morel area of central Méribel, this luxury ski apartment is a stone's throw from the slopes and commands uninterrupted views of the valley.

At the heart of Falcon Lodge Penthouse F21 is its cosy living space, cleverly positioned around a central fireplace. Whether you're cooking up a feast in the kitchen, playing games at the dining table, or curled up on the large L-shaped sofa with a book, you'll enjoy the warmth of the crackling fire and stunning views through the floor-to-ceiling windows. This level offers access to two terraces; one that's ideal for sun-soaked afternoon drinks, and the other with a bubbling outdoor hot tub.

Falcon Lodge Penthouse F21 also features a private sauna for soothing those sore limbs, plus a fitness room with a bike and exercise mats, a wonderful extra for non-skiers. Younger guests will love the home cinema room, the ultimate hangout zone for movie nights. When the night draws in, the three double bedrooms and two bunk rooms are an inviting place to rest your heads.

Beyond the confines of the penthouse, the Falcon Residence also boasts a shared indoor swimming pool with a serene relaxation area and treatments available. Combined with its ski room, on-site ski shop, and dedicated reception team, it promises an unforgettable luxury ski holiday.
